Dear Fast Eddie's Valued Customer,

We want to take this opportunity to update you on our response to the Coronavirus (COVID-19). This is a day by day, ever evolving situation. We have decided that during this executive order period to shut down our washes. Our goal is that the car washes will be open for business on April 13th, 2020.

During this period, all of our Fast Eddie's Oil Change facilities are continuing to stay open from Monday – Saturday 9 am – 6 pm, Sundays are location specific. Moving forward hours may vary, but we will continue to try to keep you updated as much as possible. We are considered an essential business due to the fact we service and maintain vehicles, transportation services such as Uber, Lyft, Ready Ride, and many more. All of these entities are essential during this executive order period. It is our goal to support essential workers that are continuing to drive and be on the road during this period.

As the country works to prevent the spread of the Coronavirus, we want you to know that we also take this responsibility seriously. We are taking steps to keep our customers and employees safe. We are following the CDC guidelines and doubling our efforts to proactively clean and sanitize our stores throughout the day. We are also closing all of our interior detailing services so that our customers do not have to exit their vehicles in order to utilize our services. In addition, we have removed all vacuum hoses and eliminated a few of our 21-point checks in order to minimize our contact with customers and to prevent the spread of the virus.

Our company's mission is centered around customer service and keeping customers coming back. We are committed to our customers and the communities we are a part of. We also remain committed to staying informed of this constantly evolving situation and continuing to provide our customers with the best service we can.

Thank you for being a loyal customer,
