

FAST EDDIE'S STAY SAFE PLAN

*Keeping Customers and Team Members Safe
During the COVID19 Crisis*

SANITARY WORK ENVIRONMENT

- High traffic areas of contact will be sanitized throughout the day.
- Hand sanitizer will be readily available for employees in designated areas at every location.

CUSTOMER AND STAFF PRECAUTIONS

- All Fast Eddie's Staff will be required to wear Facemasks.
- All Fast Eddie's Staff will be educated on CDC Guidelines in regards to hygiene, cleanliness, and social distancing.
- Some services will be temporarily eliminated to minimize customer/staff interaction.
 - NO Towel Drying
 - No Tire Shine
 - No Free Vacuums
 - No Interior Detailing
- Employee Screening Protocol
- Cashiers will be greeting customers outdoors with virtually no contact.
- All active Ultimate Car Wash Members will receive a contact free service.

Our goal is to provide a safe and healthy work environment for both our Fast Eddie's staff and loyal customers!

Please note that the changes to our standard services are temporary and an effort to limit contact between staff and customers as recommended by the CDC. We hope to return to "our" normal procedures and provide all services as soon as possible.
